How To Recruit And Retain The Best Whilst Cutting Costs

THEMES: Staffing, Funding

HOST: Reed Educational

SPEAKERS: Gavin Beart, Senior Divisional Director, Reed Education. MAT Educator To Be Confirmed,, Reed Education.

- With the recruitment landscape changing and the increasingly stringent public sector funding, schools and local authorities have been looking for more cost effective and practical solutions for their recruitment needs. The way in which the education sector has grown, has resulted in frameworks being introduced to ensure that recruitment solutions offer the best in terms of price, quality and quantity. Gavin will discuss the market frameworks, their uses and the simplest routes to market.
- He will introduce the concept of a managed service solution which is a tailored approach to recruitment needs, taking control of the whole process and management of a supply chain. This provides schools with one point of contact, increased visibility on spend and greater savings through a streamlined process.
- Gavin will be joined on stage by a MAT representative who will offer their experience and knowledge.
